 EIT Health is supported by the EIT,
a body of the European Union

The European Union is a key driver behind this joint initiative. We are inviting all founders to apply for one of the rare spots on the platform. We are the perfect fit partner for the exclusively chosen start-ups and will assist you to succeed with your crowdfunding campaign.

THE UNITED CROWD OF EUROPE

Germany's No. 1 crowdfunding platform
in healthcare becomes European.

RIGHT NOW.

aescuvest.eu
powered by EIT Health

WHY CROWD-FUNDING ?

Advanced medical care and the development of our health systems are constantly demanding for progress. We believe in the innovative power of Europe. The entire society stands to benefit. And so do all investors.

5 START-UP BENEFITS

Provide strong visibility to your brand in major European markets

Raise capital from 500.000 up to 10 Million EUR

Cross-border network of more than 550.000 healthcare professionals

EU citizens can invest in your start-up in a fully digitized process

One legal entity pools and represents the crowd investors

aescuvest is an official partner of EIT Health. The European Institute of Innovation and Technology is a body of the European Union.

BIOTECH
